About Weddings

Yes, I photograph weddings and receptions, and the couples whose weddings I've done have been thoroughly pleased. You can see examples of my work at <http://prestophoto.zenfolio.com/weddings>.

That said, I don't *specialize* in weddings, so if you are looking for a *dedicated wedding photographer* with all the bells and whistles, that isn't me. *Dedicated wedding photographers* often have assistants; they stage elaborate formal shots, they offer high-end photo books and more. They do stunning work – and they can be *very* expensive.

My wedding services are much simpler and more affordable. I offer:

- Pre-Wedding Consultation to understand what kinds of photos you desire
- Rehearsal Dinner coverage
- Wedding Day coverage
 - Bridal Preparation
 - Posed Bride & Groom and Group photographs
 - Ceremony
- Reception coverage
 - Candid and posed photographs throughout the day

My wedding fees start at \$1,200 for a full day that typically includes:

- 8 hours coverage
- Unlimited images
- Candid / reportage style photographs throughout the day
- CD of all edited images
- Password-protected Online Gallery to share with family and friends and through which you may order prints as you wish.

Please see my Wedding Portfolio samples at <http://prestophoto.zenfolio.com/weddings>, then contact me to discuss your special day.

You can reach me via the contact form in the "contact" tab of my website <http://prestophoto.zenfolio.com/contact.html> or call me directly at 440-775-2792.

Thank you for your consideration!
